Quarter 4, Issue 3

Science Class

This week we are reviewing for the MAP tests. All IXL for 7th will be done as review in class. If they do not participate, it will be assigned for a grade. 5th & 6th will be doing 2 Buckle Down assignments. Same goes for them. We will review in class, but if they do not do them, or do not participate in the discussion, it will become a recorded grade.

No School

Friday

Exploratory

6-8th Grades are doing MDC sponsored Hunter Education Classes for the next 3 weeks. They will take the test for certification at the end of the course.

Garden

We'll be checking the gardens Thursday. Hopefully, we didn't lose much with the cold weather last weekend.

If so, we may be replanting.
