Dear Preschool Student Parents:

The Leesville R-IX School District has been approved to be a registered child care provider with the Department of Social Services. What this means for the district is additional funding to cover the cost of running a preschool class at no cost to our parents. If your preschool child qualifies for State Aid for child care services, you can help us to receive this funding.

You may be eligible for the Child Care Subsidy Program if you are a low-income parent or guardian of a child under the age of 13 (or age 13 or older with a special need) and are:

- Working
- Attending school
- In job training
- Disabled
- Homeless
- Searching for a job
- Being evaluated for training and/or employment
- Receiving child welfare services from the Children's Division

Note: Eligible children may be placed on a waiting list due to lack of adequate funding. Eligibility does not guarantee immediate benefits.

If you already receive benefits, you can register the Leesville School as your child care provider by providing our DVN number to the Family Support Division. Our **DVN** number is **002736598**.

To see if you qualify and to apply, go to: <https://dss.mo.gov/fsd/child-care.htm>. If you are approved for benefits, you can register the school as your child care provider using the same **DVN** number, **002736598**.

If you have any questions, please contact the school office at 660-477-3406. Thank you for your support of our preschool program.

Sincerely,

Brian Wishard
Superintendent
