

# Tyler-SIS Parent Portal

Enhance your connection between your children and their education.

To begin using the Parent Portal, simply follow these steps:

1. Fill out the Parent Portal Agreement form and return it to the school.
2. Your password will be emailed to the address you provided on the agreement form.
3. Find the Parent Portal web page from the school website: <http://www.leesville.k12.mo.us>
4. Click on the Parents tab and then log in. You must be on the Parents tab in order for your login to work.

**If you have problems or questions about accessing the site, please contact the school.**

NOTE:

- If your email address changes, be sure to contact the school and let them know so your contact info can be updated.
- As part of the security procedures, the **ONLY** way to receive your password is by email. The school office cannot give it to you because they do not have access to your password.

---

Once inside the Portal, you will have access to several different areas of information for each child you have enrolled in the district. Each of these areas is explained below.

If you have more than one child enrolled, select which child's information you wish to view by clicking the Change Student(s) link at the top of the page.

Normally you will want to view information for the current school year, but if you have a need to view information from a previous school year, use the Change Year link.

On any of the pages, if a teacher's name is underlined, it means an email address is available for that teacher. Clicking the name will let you send an email to them.
